

Your Money

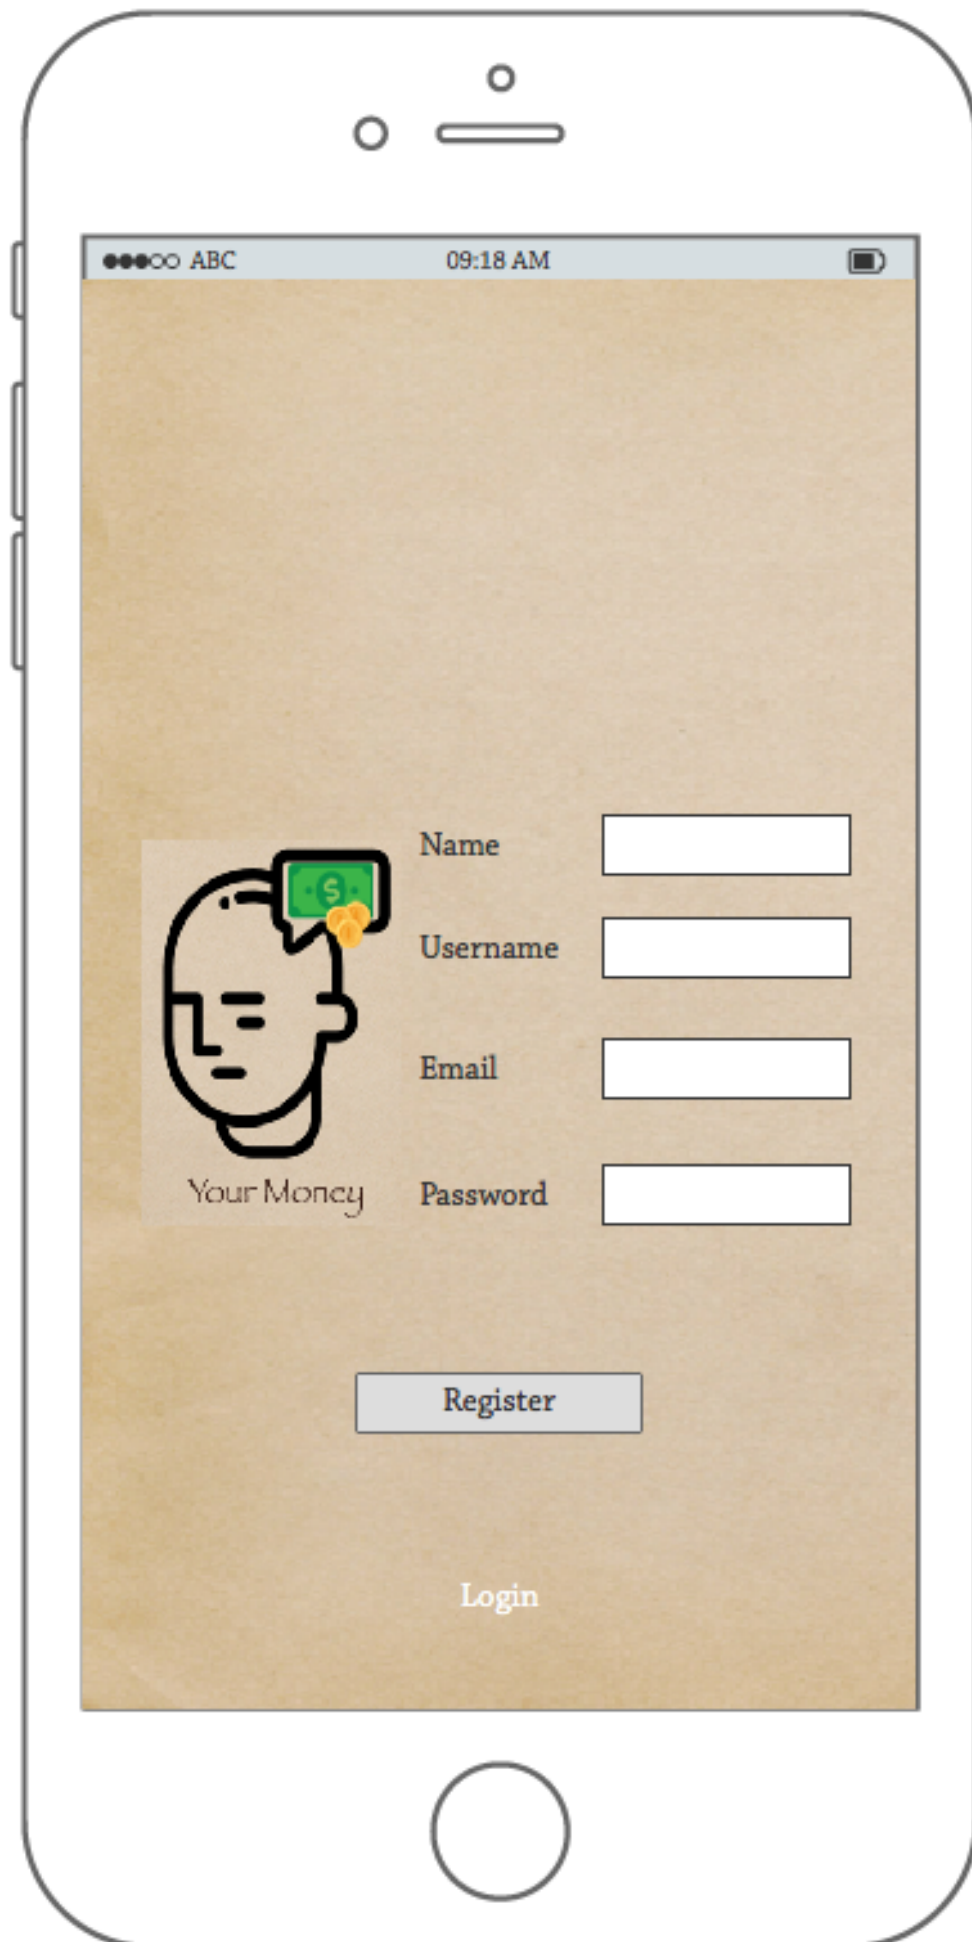

Login

Register

The image shows a smartphone screen with a registration form. The phone has a white bezel and a home button at the bottom. The screen displays a light brown background with a registration form. The form includes a logo on the left, four input fields on the right, a 'Register' button, and a 'Login' link.

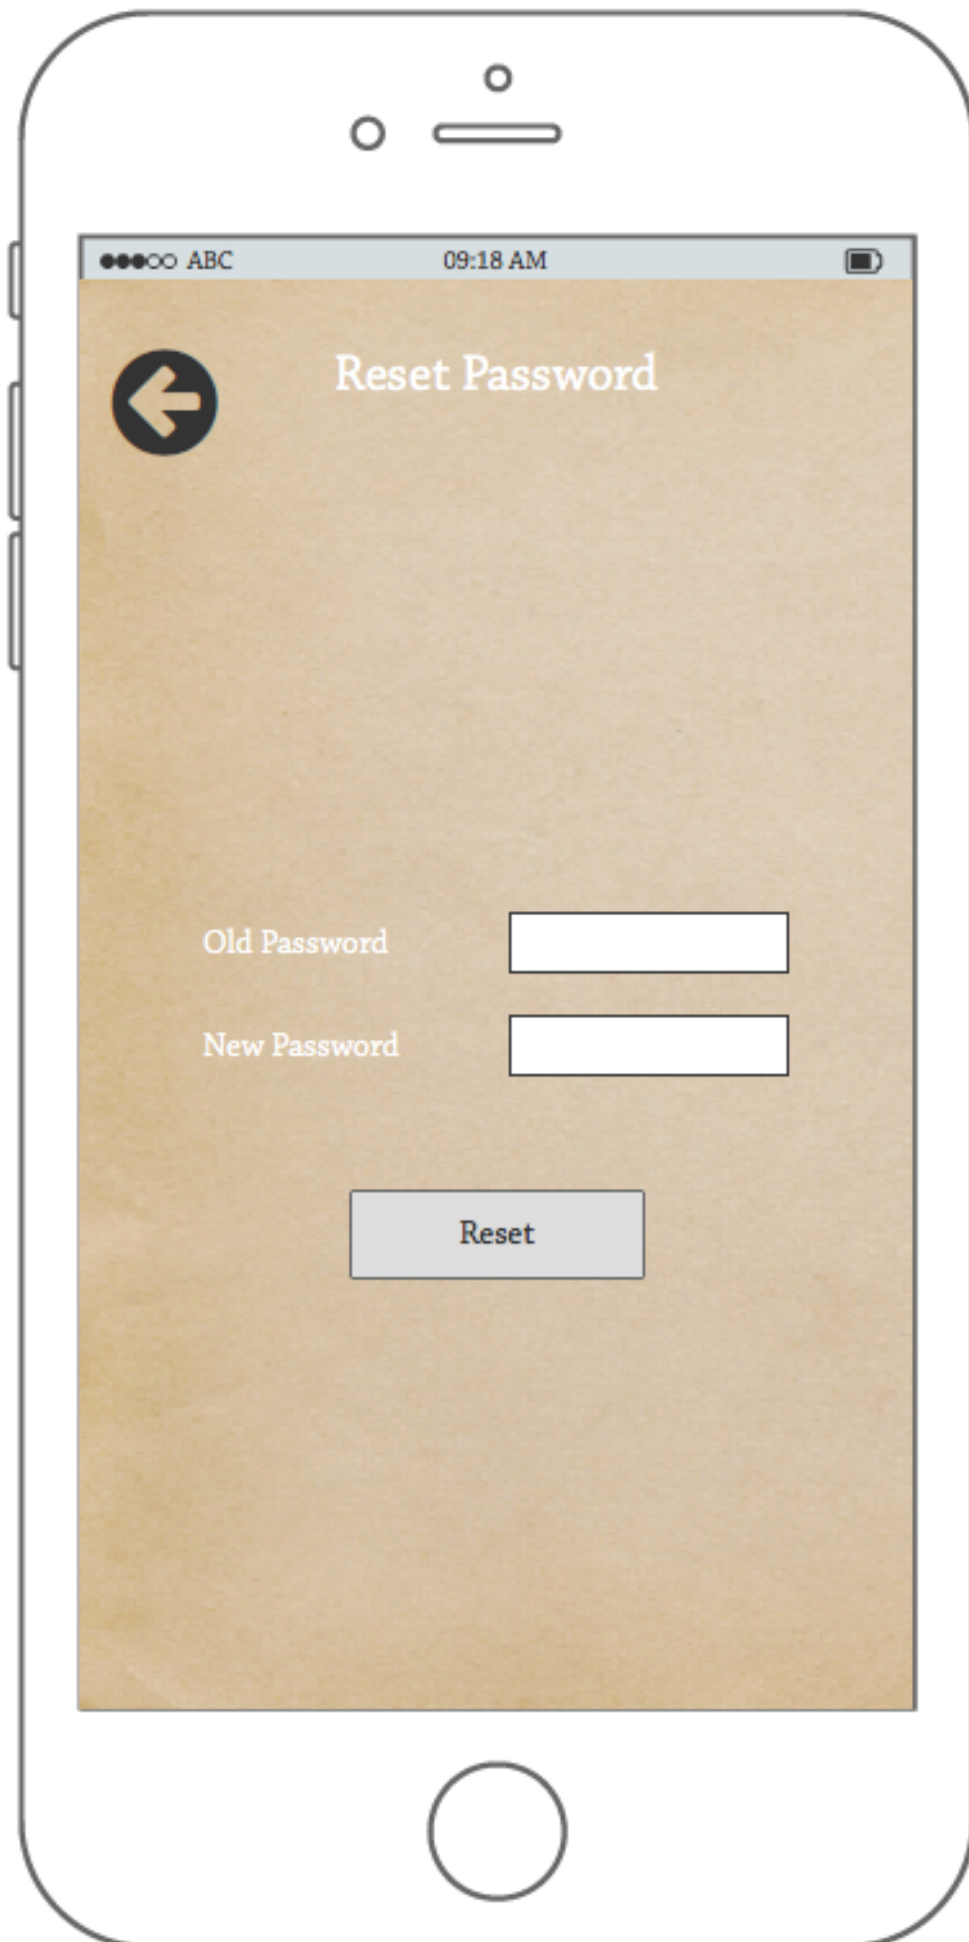

At the top of the screen, the status bar shows signal strength (four bars), the text 'ABC', the time '09:18 AM', and a battery icon.

The registration form consists of the following elements:

- Logo:** A stylized line drawing of a person's head in profile, facing right. Above the head is a green square containing a white dollar sign '\$' and two yellow coins.
- Text 'Your Money':** Located below the logo.
- Input Fields:** Four white rectangular boxes with black borders, arranged vertically on the right side of the form. They are labeled 'Name', 'Username', 'Email', and 'Password' to their left.
- Register Button:** A light gray rectangular button with the text 'Register' in black, centered below the input fields.
- Login Link:** The text 'Login' in a light gray font, centered below the 'Register' button.

resetPassword

A mobile application mockup for a password reset screen. The screen has a light brown, textured background. At the top, there is a status bar with signal strength indicators, the text "ABC", the time "09:18 AM", and a battery icon. Below the status bar, on the left, is a dark circular button with a white left-pointing arrow. To the right of this button is the title "Reset Password" in a large, white, sans-serif font. Further down, there are two text input fields. The first is labeled "Old Password" and the second is labeled "New Password", both in a white, sans-serif font. Below these fields is a light gray rectangular button with the text "Reset" in a dark gray, sans-serif font. The entire screen is framed by a white border representing the phone's bezel, with a home button circle at the bottom center.
